Faced with terror, death, imprisonment, and gross human rights violations in their country, an average of 500 Eritrean refugees flee their country every week. Since January of this year, 7309 Eritrean refugees have arrived in Shegerab refugee camp – a camp located in eastern Sudan.

Eritrean People's Party sources said, just this week alone (from 4/7-4/14, 2009), 471 Eritreans arrived in Shegerab refugee camp.

The table below shows the age and gender of the new arrivals.

Age	Both Genders	Male Total	Female Total
0-5	30	19	11
5-18	91	63	28
18 & above	350	290	60
Total	471	372 (79%)	99 (21%)
