To remember all those who courageously voiced their dissent in Eritrea. By remembering, rekindle the struggle of the August 2001 student protest and condemn the suppression of the free press, arrest of all religious & political the following September.

Freedom Rally Eritrea 2005 is inviting all concerned Eritreans and members of the international community to join us in this very important and historic date to demand freedom, justice and democracy for Eritrea.

Nothing comes out of nothing.

Do not be silent. Do speak up.

You too can make a difference
