The Executive Office of the Eritrean People's Party held its first regular meeting between 2 and 3 August 2008. In its last session, the Executive Office drew work plans for the departments for organizational matters, women, youth and the department for internal affairs. Besides, it studied and decided about a number of administrative issues.

The new party is now finalizing preparations for spreading the decisions and resolutions of the congress to the general public. Many congress participants have started flying back to Frankfurt in Germany to attend the much awaited 23rd Congress at which the EPP congress is expected to be highlighted in a number of ways.

It was also disclosed that the EPP and the Eritrean Democratic Party will hold an already scheduled meeting in mid-August 2008 in Europe.
