The Joint Leadership Committee of the Eritrean Democratic Party and Eritrean People's Party held its 4th regular session on Friday, July 31, 2009 and on Monday, August 3, 2009. The session covered the following items:

Joint radio program

In this round of session, the JLC explored ways to launch a joint radio program, including the type of preparation and plan that need to be developed in achieving the program.

Joint Eritrean Festival Frankfurt, Germany

The JLC received reports on the preparation of the joint Eritrean festival that is taking place from August 7 to 9, 2009 in Frankfurt, Germany. The JLC decided to appoint a committee charged with the responsibility of studying and coordinating the festival. The committee will resume its tasks immediately.

Joint Zonal Conferences

The JLC discussed the forthcoming joint zonal conferences of both party members. It raised agendas for consideration in those joint zonal conferences, including the date and venues of the conferences.

Discussion among Members of EPM, EDP, and EPP

The JLC decided to hold a meeting in this month to measure the joint discussion, which is currently taking place among the members of Eritrean People's Movement (EPM), Eritrean Democratic Party (EDP), and Eritrean People's Party (EPP).

Joint Draft Political and Organization Structure

The JLC also noted that the joint draft political program and organization structure, which are the two major documents, have not been finalized, in particular the design and construction of party banner and other items. The JLC decided to review and revisit these issues and others in its upcoming session after it receives a wide variety of reports from members of both parties.
