28.07.2008

The Constituent and First Congress of the Eritrean People's Party (EPP) on 28 July 2008 discussed for extended hours on the parts of the party constitution related to the chapters on objectives of the new party, conditions for membership to the party, rights and duties of members, structure and functioning of cells, branches and zones of the total membership as well as the sections on party congresses and leaderships.

On 29 July 2008, the EPP constituent and first congress is scheduled to continue plenary discussions on chapters 4-7 which deal with different issues like the formation of an auditing and supervision body and adopt the constitution and move on to draft congress resolutions, final statement, elect leadership and arrange closing session ceremonies for 30 July 2008.
